Programming Languages: Java, Python | **Web Technologies:** HTML, CSS, JavaScript | **Database:** SQL, NOSQL | **Concepts:** OOP, DSA

SOFT SKILLS

Communication | Teamwork | Problem Solving | Adaptability | Time Management

PROJECTS

MindMentor+ Pro (AI-Based Student Development Platform) 2025

- Developed MindMentor+ Pro, an AI-powered holistic student development platform that provides emotion-aware wellness monitoring, personalized academic guidance, career mentoring, and immersive learning experiences.

PlaceMentor AI – Intelligent Placement Preparation Agent (React, Node.js, MongoDB, Groq LLM) 2026

- Built a full-stack AI-powered placement preparation platform using React and Node.js, integrating an LLM agent for personalized coding recommendations, mock interviews, resume ATS scoring, and roadmap generation with JWT-secured role-based authentication.

INTERNSHIP

Nextskill Technologies Pvt. Ltd. December 2024
Front-End Web Development Intern

- Built responsive front-end components using HTML, CSS, and JavaScript to improve user experience.

Infosys Springboard Internship 5.0 (B4) - Auction Bazaar Feb-March 2025

- Designed and developed an online auction platform with user authentication, product management, bidding functionality, and database integration, ensuring secure and efficient auction transactions.

ACHIEVEMENTS

- Solved 200+ coding problems on LeetCode.
- Presented a research paper on AI-driven emotion detection for personalized emergency assistance in women's safety at ICAFT 2025.

CERTIFICATES

- NPTEL: Programming in Java | Software Testing (Elite)
- INFOSYS: Java Foundation Certification | Python Foundation Certification
- NASSCOM: Generative AI Fluency Certification
- CISCO: Introduction to Cybersecurity
- ACCENTURE: Data Analytics and Visualization Job Simulation Certification
